To whom it may concern:

Art Barry acted as a Real Estate advisor on behalf of Eccomelt LLC during the second half of 2011. Eccomelt was searching for a very specific type of commercial property in the state of Georgia.

Our commercial needs required an Agent with a vast array of knowledge regarding commercial properties in Georgia.

With his knowledge of the commercial real estate market in Georgia, Art was able to pin point the exact property for us in Manchester.

Art acted in a professional manner and was very transparent throughout the process.

I have no hesitation in recommending Art as a true professional.

Art, thank you for all of your help.
