To Whom It May Concern:

I am pleased to recommend Art Barry as a professional commercial real estate broker. I have known Art for about 30 years. During the time I was with Atlantic Southern Bank between 2005 and 2011, I listed many commercial property foreclosures with him. Not only was Art very proactive in finding a buyer for our properties, he also followed the deal closely all the way through closing to make certain the transactions were closed timely and as agreed.

On a personal level, Art is a man of strong integrity and character. He takes his business very seriously, which is very important when you have real estate that needs to be sold.

Please do not hesitate to call me if there are any questions.

Sincerely,

J. Randall Griffin  
Regional President
